Charles Jackson, charged with disorderly conduct, was fined \$2.50 and costs yesterday by Squire Lewis.

The statement that Charles Taylor was among the negro boys sent on to the grand jury for alleged housebreaking, was incorrect. Taylor was discharged.

WISH BOARD TO BE EXEMPT

Will Fight to Amend Captain Masurier's New Ordinance.

IS CONFIDENT OF VICTORY

Patron Will "Stand Pat," However, and Oppose All Amendments.

As a result of the favorable report of the ordinance offered by Captain Robert Le Masurier to prohibit city employees from holding places as election officers, and on party committees, there have been two resignations, and others are likely to follow, though these developments have in nowise tended to cool the ardor of the young Madison Ward Councilman in the support of his proposition, and he and those who believe with him in its importance, will press it to a speedy issue in the Council.

Those who have offered their resignations as election officers are Joseph Frith, janitor at the City Hall, and R. H. Walton, keeper of Marshall Reservoir, both judges of election in the Second Precinct of Clay Ward. They have surrendered the latter positions.

Who Will Be Reached.

Others in the city government, who will be affected by the passage of the ordinance are: Chris. Manning, member of the Police Board and City Committee; John Leaman, janitor City Hall and member of the City Committee; Sol. Harrison, deputy gas inspector and registrar in Jefferson Ward; Thomas V. Walsh, keeper of Gumbles Hill Park and registrar in Monroe Ward; John J. Lynch, member of State Board of Health and City Council from Jefferson Ward; Herbert Hulce, deputy delinquent tax collector and clerk in Third Precinct, Clay Ward.

The ordinance will provoke a fight in the lower branch, but the opposition will not be direct. It will either be a move to table, which will mean death, or to amend, which will have the effect of breaking its force.

Captain Masurier and his supporters are "standing pat," and will accept no amendments or alterations, so if any are made it will be by a vote of the body.

Want Them Exempt.

It is said that the powerful influence will be brought to bear on the Council by local politicians in favor of an amendment, to strike out that portion of the ordinance relating to municipal boards, so as to leave the members of the Fire and Police Boards free to serve on party committees at will, but those who are pressing the ordinance will contend for its original form.

It is the popular belief that it will go through the Board without amendment, but the trouble is that it will have to go to the lower branch first.

In any event, the ordinance is a very interesting one, and its fate will be eagerly awaited by the public.
